

Materials and Set-up:

- Print the desired gameboard.
- Number cube with #s 1, 2 and 3; two of each to fill the 6 sides of the cube)
- One game marker for each player. (bean, penny, Lego, macaroni, small toy, etc...)
- Directions (optional)

Game Rules

1. Players decide if students will be playing using letter names or sounds.
2. Two-four players.
3. Each player places their marker at the arrow.
4. Player 1 rolls the die.
5. Player 1 moves the number shown, and says those letter names/sounds as they move along.
6. Player 2 plays in the same way, etc.
7. Play continues until a player crosses into the finish area. Celebrate with a chant, cheer, or song.
8. Other players continue, and as players finish, they continue to play using their turns to help the player or players of their choice.
