

LAKEWOOD TECH^{EQ}

Technology & Social Smarts for the 21st Century

From Dr. Cheng's Desk:

Dear Lakewood Families,

Happy New Year! On our first day back at school in 2019, our students were reminded of how to show Lion Pride by being respectful, being responsible, and being safe. This month's focus is on being responsible users of the bathrooms. We also introduced the power of "I feel" statements when we are upset. For example, "I feel mad that you took my ball." This gives us a chance to hear what others have to say and problem solve. We highlight honesty and integrity. Here is a kid friendly 1 minute video about honesty: <https://www.youtube.com/watch?v=tcmf3h6YoMl>
