Teacher Appreciation Week

#### FROM THE DESK OF MRS. LUBRANO

I just want to say "thank you" to our parent community. In the last month I have talked to over 180 families about either returning in-person or changing teachers and I have to say that I have enjoyed each and every conversation. You have shown such flexibility and resilience during this school year. I look forward to our continue partnership.

#### *n*-Person Update

We are excited to announce the following number of students have returned to campus:

K - 24  
1st - 18  
2nd - 18  
3rd - 22  
4th - 15  
5th - 15

It has been exhilarating to have students back on campus and they are truly excited to be coming to school each day.

Just a reminder, if you are picking up materials curbside from your child's teacher you will need to park your car and walk up to get your materials during **arrival** and **dismissal** times listed below.

Arrival:	Dismissal
7:40 - 8:05	10:30 - 10:45
11:40 - 12:05	12:00 - 12:30

#### *Summer School*

The district has already begun planning for summer school. If your child was recommended by their teacher you should have received information in the mail. If you have discussed summer school with your teacher and she has recommended your child to attend and did not receive anything, please call the front office so that we can help.

#### *Spring Break*

There is no school from April 12th - April 16th. School will resume Monday, April 19th.

## LEADER IN ME (LIM)

April focus:

Habit 5: Seek first to Understand and then to be understood

This habit strengthens relationships, reduces misunderstandings, and increases trust.

Try this at home:

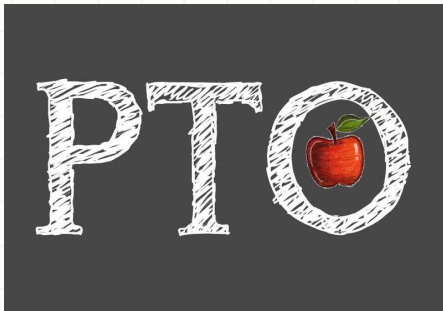

Invite your child to Play "Mixed Up Simon Says"

- Tell your child, if I say, "Simon says..." you should not do what I say but do what I do. You will need to listen and watch very carefully because this will be tricky
- Touch your ears as you say, "Simon says, Touch your toes."
- Congratulate your child for listening carefully to your verbal cue.
- Touch your eye as you say "Simon says, Touch your elbow."
- Play several rounds, communicating one action with your words and a different action with your movement.

Ask your child these questions:

- Have you ever felt misunderstood?
- Why is listening to understand the other person so important?
- What do you think is the single most important communication skill?

## PARENT TEACHER ORGANIZATION (PTO)

**Please join us the 2nd Friday of the month to discuss how we can partner together to support one another. Our next meeting is Friday, April 9th at 12:15. You can find the Zoom link on ClassDojo.**

## FAMILY ENGAGEMENT INSTITUTE

Our spring session begins **Thursday, April, 22nd**. We would love to see you there!

During this time you will learn strategies that will help you as you support your child at home. Many of us are struggling to find opportunities to connect with others and this is a wonderful opportunity to connect with other families.

You can find the Zoom Link on ClassDojo.
