FROM THE DESK OF MRS. LUBRANO

Happy almost spring!

The district continues to monitor the Santa Clara County Dashboard as we move closer to the red tier. Once we enter the red tier our two-week clock begins and we will start contacting Kinder and 1st-grade families that will be affected by a change in instructional setting and/or class change. Our staff is working hard to ensure that all the safety measures and protocols are in place prior to students returning for in-person instruction.

Also, as of February 28th educators were able to start receiving their vaccines. Teachers are excited to have this added layer of protection. If you are interested in knowing when you and your family will be able to receive the vaccine you can sign up at <https://myturn.ca.gov/> to receive a notification.

Last month we launched our first virtual Leadership Rally and our student lighthouse team did an amazing job organizing, facilitating, and engaging our school community. A HUGE shout-out to Ms. Flanders for working with them. I encourage you to join us this month, March 8th and March 22nd from 2:10-2:30 as we celebrate our student leaders. The link will be posted on ClassDojo. We look forward to seeing you there!

If your child is classified as an English Language Learner, your child will participate in the English Language Proficiency Assessment of California (ELPAC) during the month of March. Please be on the lookout for more information. There is a possibility that we will be able to offer some in-person testing for this assessment. We will contact you if your child might be a good candidate for this in-person testing.

Lastly, we are hosting a socially-distant picture day on Monday, March 8th. We will be sending out more information soon via ClassDojo, so be on the lookout.

LEADER IN ME (LIM)

March focus:

Habit 2: Begin with the End in Mind

Ask yourself: "What is my desired outcome?"

- The start of every day/week/month/year
- The start of every meeting.
- The start of a new project or endeavor.
- When you get ready for an important conversation.
- Before you write an email, text, or post on social media.

PARENT TEACHER ORGANIZATION (PTO)

Please join us the 2nd Friday of the month to discuss how we can partner together to support one another. Our next meeting is Friday, March 12th at 12:15. You can find the Zoom link on ClassDojo.

Family Engagement Institute

FAMILY ENGAGEMENT INSTITUTE

Our winter session began Thursday, January, 21st and it's not too late to join!

During this time you will learn strategies that will help you as you support your child at home. Many of us are struggling to find opportunities to connect with others and this is a wonderful opportunity to connect with other families.

You can find the Zoom Link on ClassDojo.
