Families,

Thank you for registering for the 2021-2022 school year. We are excited that you have selected Bishop Elementary to be your child's school. I am confident that as we begin this new school year you will witness the growth in your child each and every day. Each 1 year I stand in awe as I watch children soak up their new learning and explore the world in which they live.

Here at Bishop we believe:

- Parent partnerships are instrumental
- Teaching the whole child ensures student success
- Teaching leadership skills that translate outside our school walls is key
- All students have worth and potential

Bishop is a Leader In Me school that has achieved Lighthouse status. You may ask, "what does that mean?" As a Leader in Me school we believe in a holistic approach. We teach leadership to every student, we create a culture of student empowerment, and we align systems to drive results in academics. As a lighthouse school we have received recognition for our outstanding results in school and student outcomes.

We are committed to working alongside you as your child is either just embarking on their educational journey or continuing on their journey. Please reach out to our school office, 408-822-8229, if you have questions or need assistance. Please visit our website to find out about upcoming events. We are looking forward to a fabulous 21-22 school year.

Sincerely,

Tara Lubrano
Principal
