

# Vargas Family Message

Week of January 20, 2021

Hello Vargas Families,

We hope you all had a restful and safe long weekend together as a family. This weekend was a great opportunity to reflect on the work of Dr. Martin Luther King Jr. His powerful words still hold great meaning and relevance today. It has been great to see his work being taught and discussed in our virtual classrooms at Vargas.

Please continue to stay safe. Here are the reminders for the week.

Sincerely,  
Kathryn Armstrong

## **COVID Safety Reminders**

As COVID cases continue to rise in our county, please remember to follow safety protocols and limit visits to the school. If you need support with something, please call first. (408) 522-8267

If there is a materials distribution scheduled for your child, please remember the following upon your visit:

- -Stay home if you or someone in your household is not feeling well or has tested positive. We will get your materials to you.
- -Stay home if you have been in close contact with someone within the last 48 hours who has tested positive.
- -Wear a mask.
- -Practice social distancing.
- -Limit the number of people visiting campus. Try to avoid bringing the whole family if possible.
- -If you must enter the office, we have a "1 family at a time" policy.

Thank you for your cooperation and understanding. We must work together to keep our school and community safe.

## **Friday, January 22nd - First Grade Materials Distribution**

## **Thursday, January 28th at 9:00 - Vargas Information Session for Prospective Families**

Do you know families that will be registering for school in Sunnyvale for the first time for the 2021-2022 school year? If so, we encourage you to let them know about our parent information session held next week. This information session will be for new families that are interested in learning more about Vargas before registering for school next year. We will be sharing information about our unique science focus and answering questions new families might have about our school.

## **Friday, January 29th - Grocery Distribution**

We will be distributing free groceries from Second Harvest Food Bank from 12:30-3:00 PM or until supplies last. Families can drive or walk up to pick up the groceries. The boxes of groceries are large, so please be sure you have something to transport them home in if you choose to walk. We will have some wagons available for families to borrow. Please help spread the word to other Vargas and Sunnyvale School District families!
