### **COVID Safety Reminders**

As COVID cases continue to rise in our county, please remember to follow safety protocols and limit visits to the school. If you need support with something, please call first. (408) 522-8267

If there is a materials distribution scheduled for your child, please remember the following upon your visit:

- Stay home if you or someone in your household is not feeling well or has tested positive. We will get your materials to you.
- Stay home if you have been in close contact with someone within the last 48 hours who has tested positive.
- Wear a mask.
- Practice social distancing.
- Limit the number of people visiting campus. Try to avoid bringing the whole family if possible.
- If you must enter the office, we have a "1 family at a time" policy.

Thank you for your cooperation and understanding. We must work together to keep our school and community safe.
