- 3) Principal Update
  - a. The Superintendent Advisory Board is seeking parent representatives. Laurie shared the details about the role and the expected commitment.
  - b. District is entering the master planning phase. Laurie shared the facilities plan with the committee and sought feedback. Laurie went over the master plan draft and the committee discussed the proposals in the plan. Timelines and enrollment projections were discussed. Vivian raised concerns about future budget changes and potential impacts to the facilities plan.
  - c. Laurie shared the multi-phased covid testing plan that is being rolled out by the district.
    - i. Started with staff only - weekly onsite
    - ii. Modified quarantine testing (For asymptomatic close contact)
    - iii. Symptomatic students/staff with a referral from the school - drive up testing at the district office offered between 7:00AM and 9:30AM, results by midnight.
    - iv. District is piloting voluntary asymptomatic student testing, rolling out to the middle school
  - d. Discussed vaccination guidelines for younger children now that the FDA has authorized the covid vaccine for emergency use in younger children. It appears that the district will defer to the pediatricians. No official guidelines have been released.
  - e. Reviewed the comprehensive school safety plan. Laurie went over the summary in a concise slide deck. We discussed the goals and the action steps. Divya raised concerns about drop-off protocols and parking.
    - i. Laurie made a motion to approve the safety plan. Jennifer seconded and the motion passed with 6 votes. Safety plan will be forwarded to the board.
