

Intent: For those teachers on “alternative formal,” this form is a final summary of the project for the year.

Self-Reflection Summary
Sunnyvale School District

Name: _____ Site: _____ School Year: _____

1. Please indicate which of the six California Standards for the Teaching Profession was the focus of your project.

2. Briefly describe your project. What was the goal of the project? Include how your project would enhance student learning and any other expected outcomes.

3. Describe the results of your project. Be sure to include evidence that you successfully completed your project. Did you achieve the goal you set out to achieve? Why or why not?
